Guidelines for submission of abstracts of scientific papers for oral/poster presentations (Decided by KMCFI).

- The last date for submission of abstract of study papers of KMC: 05th January 2023.
- Last date for announcement of selected papers: 10th January 2023
- Abstracts should be sent in MS word format typed in double space.
- Should have the title of the study, name/names of authors, designation, institution, and e-mail and address in detail. The doctors and nurses are requested to send the abstracts of their recent research studies related to KMC for presentation in the seventh national conference of KMC.
- Three papers from doctors and three papers from nurses will be selected for oral presentation during the conference on 21st and 22nd January 2023.
- Other selected papers will be for poster presentation.
- In each category one cash prize will be given for the best paper separately for nurses and doctors. The decision of the judges will be final.
- Detailed instructions will be provided to the authors whose papers are selected for presentation. Authors are requested to submit papers which are not presented for competitions in any other forum.
- All the abstracts should be sent to KMC Foundation at kmcfindia@gmail.com and not to NNF or AIIMS, Bhubaneswar which may be kindly noted.
